

KAVODRINK- BOTTLES OUT OF TRITAN™

KAVODRINK-BOTTLES HAVE OUTSTANDING FEATURES

Updated 10.2019

Highlights

- » Tritan™ Kavodrink-Bottles are BPA - free
- » Easy to open and drink, especially due to the flip-top closure
- » The more break-proof alternative to glass jars
- » Promotes drinking water consumption
- » Easy and quick cleaning in the dishwasher
- » Available in 3 sizes: 0,5l, 0,75l and 1l bottles
- » Avoids disposable packaging

WITH INDIVIDUALLY PRINTED KAVODRINK BOTTLES MADE OF TRITAN™ YOU LEAVE A LASTING IMPRESSION AND YOU ALSO MAKE ADVERTISING THAT WORKS

- » Ideal for fitness studios and all areas of indoor and outdoor sports as well as for schools, universities and kindergartens. Especially valuable for hospitals, sanatoriums, retirement homes or in the wellness area. Also very popular in companies, authorities and other institutions.
- » Ideal promotional item for your own branding.
- » For personalisation (name) and labelling (number) of the bottles.
- » Also printable in small runs.
- » Digital printing, screen printing and laser printing
