HIGH-QUALITY STAINLESS STEEL

High-quality stainless steel is one of the most hygienic materials. It is food-safe, odorless, tasteless and free from harmful substances. Thanks to the unique surface, which has no pores or cracks, the material cannot absorb dirt or bacteria

PRINTING & ENGRAVING

Have your bottles printed or engraved with your favourite motif, logo and name. This will give you the ideal promotional item

SUSTAINABLE

Stainless steel bottles remain hygienic and clean for many years. Stainless steel itself has a service life of over 100 years and is 100% recyclable
