

CARE. With Quality.

Our **Kavodrink ECO water bottles** stand for health & hydration with quality: BPA-free. Free from harmful substances. Unbreakable. Dishwasher safe. And at the same time: Actively protect the environment!

For Hospitals, Clinics, Nursing Homes, and Senior Residences: Wherever safety, hygiene, cost awareness, and sustainability are top priorities, our Kavodrink ECO bottles are the smart and safe choice. Made from polypropylene (PP) - a proven, food-safe material processed without plasticizers.

Perfect for Children, Seniors and Patients: Kavodrink ECO bottles are lightweight, unbreakable, and easy to hold - ideal for small children's hands, elderly people, and patients. The wide mouth opening also makes drinking easier.

CONSCIOUSLY CARED FOR. With Hydration and Quality.

Our **dishwasher-safe Kavodrink ECO bottles** are available in two optimally designed sizes: 500 ml and 1000 ml. Both sizes can be freely combined with well-designed closure options: Standard blue cap, Flip-top cap, or Premium carbonation-resistant blue cap.
