

# 5-STEP PRINTING GUIDE

*Efficient path to your custom product*

This guide walks you step-by-step through our printing process – from the initial inquiry to final delivery. Whether it's a water bottle, carafe, or packaging: we support you all the way to your customised result.

2.

## SUBMIT YOUR PRINT DATA

Send us your print motif as a vector graphic. We require Pantone values for motifs in screen printing.

4.

## OPTIONAL: SAMPLE BOTTLE

Upon request, we will produce a sample bottle for you using digital printing, screen printing, or laser engraving.

1.

## SEND YOUR INQUIRY

We offer personal and individual consultation – and show you how to easily request your desired product.

3.

## OFFER & PRINT PREVIEW

You will receive a personalised quote and an initial visualisation of your design.

5.

## APPROVAL & PRODUCTION

We start printing after your approval. Delivery takes place approx. 2 weeks later.

## 5-STEP PRINTING GUIDE

[ONLINE INQUIRY](#)

1.

### SEND YOUR INQUIRY

Send your request conveniently via email to **info@aboutwater.de** or use our online inquiry form [above]. Please provide the following information:

DESIRED PRODUCT

FILLING VOLUME

QUANTITY

YOUR LOGO / DESIGN (\*)

NUMBER OF COLORS IN THE PRINT DESIGN

2.

### SUBMIT YOUR PRINT DATA

To ensure optimal print quality, please send us your print motif as a vector graphic:

**FILE FORMATS:** .EPS, .AI, .PDF (\*)

**LINE THICKNESS:** MIN. 1 MM

**FOR SCREEN PRINTING:** EXACT PANTONE VALUES

(\*) If you only have a .PNG or .JPG file, we offer simple logo redraws from €35. More complex artwork redraws will be calculated individually after review.

3.

### OFFER & PRINT PREVIEW

After receiving your inquiry, we will provide you with a personalized offer. We usually follow up with a print proof – a visualization of your design on the selected product. This layout serves as the final approval document and includes details on positioning, sizing, and printing method. The print proof is created depending on the project scope and once it is clear that the order is likely to be confirmed.

**The first print proof and one correction round are free of charge. Each additional revision will be charged at €10.**

## 5-STEP PRINTING GUIDE

4.

### SAMPLE BOTTLE

Upon request, we will produce a custom sample bottle for you – so you can see your design on the actual product beforehand. Prices for sample bottles are exclusive of shipping costs:

**DIGITAL PRINTING:** €75

**SCREEN PRINTING:** PRICE UPON REQUEST

**LASER ENGRAVING:** €85  
[KAVODRINK & STAINLESS STEEL BOTTLES]

5.

### APPROVAL & PRODUCTION

After your final approval and official order, you will receive an **order confirmation**. Your written confirmation by email serves as final approval of the print proof. The printing will then be scheduled, and your products will be shipped upon completion.

**The delivery time is approx. 2 weeks after approval, depending on seasonal demand.**
